The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Meadowglen West Complete Streets Project in fiscal year 2024.

The entity to receive funding for this project is the Westchase District, located at Westchase District, 10370 Richmond Avenue, Suite 1350, Houston, Texas 77042.

If awarded, the funding would be used to repurpose the corridor to include roadway safety conditions, pedestrian accommodations, connectivity to bicycle facilities, and upgraded stormwater systems along Meadowglen Lane between Woodland Park Drive to Rogerdale Road.

The project is an appropriate use of taxpayer funds because it will improve overall safety and function of the roadway, enhance access to public transit, and improve local and subregional resiliency through stormwater management improvements to the Westchase District.

The project has a Federal nexus because the funding provided is for purposes authorized by Chapter 53 of Title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher".
